

# Greenhouse and Field Vegetables

## Customizable Personal Program Selection Guide

	Product	Transplant / Seedling	Growth (6-8 leaf)	Flowering	Small Fruit	Pre-Harvet	Comments
Choose One	Ez-Gro Liquid Starter 5-15-5	3-5L/MT water drip irrigation					Stimulates / Increases rooting
	Ez-Gro Starter Fertilizer with Ca & Mg	3-5L/MT water drip irrigation					Stimulates / Increases rooting
	Life-T Starter 15-30-15	3-5kg/MT water drip irrigation					Stimulates / Increases rooting
Choose One	Ez-Gro Prime Use under normal conditions		25ml/100L foliar				Increases rooting and abiotic plant protection.
	Ez-Gro Enhance Use under drought conditions		500-1000ml/MT				Reduces environmental stress
Choose One	Premium Liquid 10-10-10 Irrigation Option 1			3-5L/MT			Supplies nutrients during flowering/fruit stage
	Life-T 20-20-20 Irrigation Option 2			3-5kg/MT			Supplies nutrients during flowering/fruit stage

## Greece

Choose One	EZ-Gro Bloom Enhance Foliar Option 1			100ml/100L			Increases fruit set
	EZ-Gro SA Foliar Option 2			500ml/MT			Enhances Flowering
Choose One	Ez-Gro Crop Boost Use under normal conditions				100ml/MT		Increases fruit size
	Enhance Bio-APP Use under drought conditions				50ml/100L Foliar		Increases fruit size and drought protection
	Anthocyn					250ml/MT	Enhances colouring and anthocyanin production
<b>Environmental Protection Options</b>							
	Aqua-Regulate	2-4L/MT at first sign of drought. Apply to foliage or soil to combat dehydration/crop loss. Improves growth/survival.					
	Ez-Gro Secure	1-1.5L/MT water spray at onset of disease, every 2 weeks. Enhances plants SAR metabolism with unique copper complex that reduces copper use.					
	Ez-Gro BR	500ml/MT foliar to enhance at beginning of drought/bud formation. Reduces environmental stress. Enhances yields.					
<b>Deficiency Correctors</b>							
	Ez-Gro High K (0-0-35)	Use 1L/MT as often as required					
	Cal Boost (Ca 10%)	Use 1-3L/MT foliar. Irrigation every 14 days at flowering.					
	EZ-Gro Micro-Triacontanol	500ml/MT to correct micronutrient deficiencies.					
<b>Adjuvant</b>							
	Ez-Gro SSP	25-100ml/100L water with PGR, Herbicides, Pesticides, Fertilizers and Trace Elements					
	Ez-Gro SSP Plus	25-100ml/100L water with PGR, Herbicides, Pesticides, Fertilizers and Trace Elements
